

DON'T LOOK AWAY

INT. BEDROOM - NIGHT

A worn out and sleepy RAINEY snuffles and breathes heavily through his nose, sitting at the DOOR of the room, staring across the dark room.

KNOCK at the door.

Rainey reaches over and unlocks the door, his eyes staying fixed.

The door opens and JAY rapidly enters, NEIL standing behind him.

JAY
Power's still off, but Neil's here
and he got us a couple flashlights.

Rainey stands up.

RAINEY
What do we do now?

NEIL
We can just go to my place. Anyway,
what's goin' on?

Rainey reaches out to Jay. Jay hands Rainey a flashlight. Rainey aims it across the room and illuminates near the center of the room, showing a disfigured being staring intently at him, bloodied and snarling.

NEIL (CONT'D)
What the fuck.

Neil steps back.

RAINEY
You have to keep your eyes on it.

NEIL
What is that?

JAY
We don't know.

RAINEY
It only moves when you look away.

NEIL
What?

JAY
We've been trying to figure out how
to lock it in here.

RAINEY
But it's fast...when it wants to
be.

Jay grabs Rainey's arm.

JAY
Well, step back. We're here.

Rainey starts walking backwards to the door.

RAINEY
Ya'll watching it?

Jay raises his arm to direct Neil back. Neil steps into the
hall. Jay exits the room.

JAY
Yeah, I got my eye on it.

Rainey turns to Jay and Neil.

RAINEY
We have to be quick.

Jay looks at Rainey and nods.

The being jolts forward. Jay's eye move back to the being.

Rainey turns to it.

RAINEY (CONT'D)
Keeps your eyes on it.

JAY
Sorry.

Rainey steps out.

INT. HALL

Rainey stares into the room from the hall. He grabs the
doorknob and slowly closes the door until it is only ajar.

Jay and Neil step back.

RAINEY
Head straight to Neil's.

Rainey peaks one eye into the room through the slit made by the door and its frame, making contact with the being.

Rainey takes a few deep breaths. He moves to close the door.

We see the being jump forward.

CUT TO BLACK.
